**Allen-Bradley Spare Parts**

| <u>Part #</u> | <u>Description</u>  | <u>Qty on Hand</u> |
|---------------|---|--------------------|
| 1492          | Allen Bradley Terminal Block  | 1                  |
| 8200          | Allen Bradley 8200 Panel Only                                       | 2                  |
| 160628        | Allen Bradley Series 9 Power Supply                                 | 1                  |
| 634487        | Allen-Bradley UPH Board   | 5                  |
| 636414        | Allen Bradley Operator Panel Control Module, REQ-GHA                | 1                  |
| 900018        | Allen Bradley 8000 GD   | 2                  |
| 900025        | Allen Bradley 8000-GE   | 1                  |
| 900057        | Allen Bradley Interface Board                                       | 1                  |
| 900063        | Allen Bradley 8000-GG   | 2                  |
| 900072        | Allen Bradley 8000-AF   | 1                  |
| 63428606      | Allen Bradley Keypad  | 1                  |
| 90734405      | Allen Bradley 1771-HSA  | 1                  |
| 91658102      | Allen-Bradley Termination Panel 1771-HT                             | 2                  |
| 91658301      | Allen Bradley PLC5 Cable - 1771-CAP                                 | 1                  |
| 1388-AV40     | Allen Bradley DC Servo  | 1                  |
| 1391-AV40     | Allen Bradley DC Servo Controller                                   | 1                  |
| 1391B-AA45    | Allen Bradley 45A AC Servo Controller                               | 3                  |
| 1391-DES45-D1 | Allen Bradley AC Servo Controller                                   | 1                  |
| 1400-PD11A    | Allen Bradley; Power Supply 85...240V AC or 110...300V DC           | 1                  |
| 1401-N10      | Allen Bradley; Accessory Kit; Series A                              | 2                  |
| 1415-N50      | Allen Bradley Third Overload Relay Kit For sizes 0-1                | 4                  |
| 1490-N2       | Allen Bradley; 3/4" Conduit Hub Series B                            | 1                  |
| 1492-C4       | Allen Bradley Terminal Blocks                                       | 30                 |
| 1492-CAM      | Allen Bradley Terminal Block  | 3                  |
| 1492-CB1G200  | Allen Bradley Manual Motor Controller Circuit Breaker for Equipment | 1                  |
| 1492-CB2      | Allen Bradley Circuit Breaker, 3A                                   | 7                  |
| 1492-CB2G030  | Allen Bradley Circuit Breaker 480C AC/65V DC Max                    | 6                  |
| 1492-EB3      | Allen-Bradley Terminal Block  | 30                 |
| 1492-EBM4     | Allen Bradley Terminal Block Accessory                              | 12                 |
| 1492-F        | Allen Bradley Contact Block Cover                                   | 1                  |
| 1492-GH050    | Allen-Bradley High Density Mini Circuit Breaker 5.0 Amps            | 1                  |
| 1492-GH100    | Allen-Bradley High Density Mini Circuit Breaker 10.0 Amps           | 1                  |
| 1492-H        | Allen Bradley Terminal Block  | 17                 |
| 1492-HM       | Allen Bradley Terminal Block  | 9                  |
| 1492-HM1      | Allen Bradley Terminal Block  | 16                 |

**Numerical Control Service Inc.**  
**Allen-Bradley Spare Parts**

| <u>Part #</u> | <u>Description</u>  | <u>Qty on Hand</u> |
|---------------|---|--------------------|
| 1492-N18      | Allen Bradley Terminal Block Accessory  | 45                 |
| 1492-N23      | Allen Bradley Terminal Block Accessory Heavy Duty End Anchor  | 10                 |
| 1492-N37      | Allen Bradley Terminal Block Covers   | 8                  |
| 1492-N47      | Allen Bradley Terminal Blocks, Normal Duty  | 8                  |
| 1492-NM16     | Allen Bradley Terminal Block Covers   | 4                  |
| 1492-NM36     | Allen Bradley Contact Block Cover   | 12                 |
| 1492-PD3C111  | Allen Bradley; Power terminal Block; 600V, 150A   | 2                  |
| 1492-U        | Allen-Bradley Terminal Block  | 23                 |
| 1492-W3       | Allen Bradley Terminal Block  | 1                  |
| 1492-W4P      | Allen Bradley Terminal Block  | 1                  |
| 1492-WD3      | Allen Bradley Terminal Blocks   | 7                  |
| 1492-WM4      | Allen Bradley Terminal Block  | 1                  |
| 1492-WTC3K    | Allen Bradley Terminal Strips; Series a   | 6                  |
| 1492-WTF3     | Allen Bradley Terminal Block  | 33                 |
| 1494V-H12     | Allen Bradley Defeater Bracket Extension Kit  | 1                  |
| 1495-F1       | Allen-Bradley; Normally Open Contact Sizes 0 thru 5; Series L                                       | 5                  |
| 1610-T0420S24 | Allen Bradley; Dry Reed Relay; 24VDC  | 1                  |
| 1746-RL40     | Allen-Bradley SLC-500 Octal Label Kit for 1746-IA16   | 3                  |
| 1746-RL50     | Allen-Bradley SLC-500 Octal Label Kit for 1746-OA16 Output Module                                   | 3                  |
| 1747-FC       | Allen-Bradley Ferrite Collar Use with RS-232 Cable  | 2                  |
| 1747-L30C     | Allen-Bradley: SLC 500 Processor Unit 30 I/O; Series C; FRN 6                                       | 2                  |
| 1771-DB       | Allen-Bradley 1771-DB Basic Module Rev A/D - Price if purchased new from Allen-Bradley - \$2,745.00 | 2                  |
| 1771-HMA      | Allen Bradley Memory Module   | 2                  |
| 1771-HSN/B    | Allen Bradley: PLC 5 Servo Controller Module for PLC-5  | 1                  |
| 1771-IBN      | Allen Bradley: 10 to 30 VDC High True Input Module  | 1                  |
| 1771-OBN      | Allen Bradley: 10 to 30 VDC High True Output Module   | 4                  |
| 40146-007-57  | Allen Bradley; Contact Unit Only; 2 Circuit   | 1                  |
| 40171-002-01  | Allen Bradley Pilot Light Transformer, 120V, 50/60 Hz   | 3                  |
| 509-BOD-A2E   | Allen Bradley Full Voltage Starter; Nema Size 1   | 1                  |
| 509-TOD       | Allen-Bradley Starter, Full Voltage 600V AC Max   | 4                  |
| 509-TOXA      | Allen-Bradley Starter, Full Voltage 600V AC Max   | 2                  |

| <u>Part #</u>   | <u>Description</u>  | <u>Qty on Hand</u> |
|-----------------|---|--------------------|
| 509-TOXD        | Allen Bradley; Size 00; Series A  | 2                  |
| 592BAV16        | Allen Bradley; Series B; 3 Pole Overload Relay (Cover only)                               | 1                  |
| 592-BOV16       | Allen Bradley; Overload Relay; Manual Reset; Open Type; Pole 3; Series B                  | 3                  |
| 592-JOV16       | Allen Bradley; Series A; NEMA A600  | 1                  |
| 595-A           | Allen Bradley Auxiliary Contact Assembly Series B 1 NO Contact Sizes 0 thru 4             | 25                 |
| 595-B           | Allen-Bradley; Auxiliary Contact Assembly 1 NC Contact Sizes 0 thru 4                     | 2                  |
| 599-K04         | Allen Bradley Surge Suppressor; 120V AC   | 7                  |
| 634173G         | Allen Bradley 7300- UIA   | 1                  |
| 634174 Rev 7    | Allen Bradley 7300-UIB  | 1                  |
| 634185-01       | Allen Bradley: Racks; (1) is not complete, the 2nd appears to be complete                 | 2                  |
| 634262 Rev 11   | Allen Bradley CRT/MDI Interface Board   | 3                  |
| 634275 Rev 6    | Allen Bradley Control Panel Interface   | 9                  |
| 634275 Rev C    | Allen Bradley 7300-UBA2   | 1                  |
| 634275A         | Allen Bradley UBA Control Panel Interface   | 1                  |
| 634281-90       | Allen Bradley 7300-UMA  | 1                  |
| 634347A         | Allen-Bradley Relay Puller Module   | 3                  |
| 634365-01 Rev B | Allen Bradley 7300-AVPB1 Rev B; Includes 634572-01; Noted that it has faulty power supply | 1                  |
| 634365-01 Rev C | Allen Bradley 7300-AVPB1 Rev C; Includes: 634571-02; 634574-01; 634572-01; 634573-01      | 1                  |
| 634384E         | Allen-Bradley Tape Reader Module  | 2                  |
| 634434A         | Allen Bradley VPE   | 3                  |
| 634484 AS-C     | Allen-Bradley I/O Rack Multiplexer  | 3                  |
| 634484-90 Rev 7 | Allen Bradley 7300-UAF  | 2                  |
| 634486 Rev 4    | Allen Bradley 7300-UPG  | 7                  |
| 634486-90 Rev 4 | Allen Bradley UPG5  | 2                  |
| 634488-90 Rev 6 | Allen-Bradley Processer Interface   | 3                  |
| 634489 Rev 4    | Allen Bradley Microcontrol Module (Compare Chips before using)                            | 3                  |
| 634490 Rev 6    | Allen Bradley Arithmetic Logic Board  | 3                  |
| 634492-01       | Allen Bradley 7300 Industrial Panel/ with keyboard 634491; another tag says 634527-02     | 2                  |
| 634526-02       | Allen Bradley Tape Reader Cover Plate   | 1                  |
| 634530-01       | Allen Bradley Cable   | 1                  |
| 634535-01B      | Allen-Bradley Cable   | 1                  |
